1-year subscription to LOBSTER

includes 10 accounts and unlimited access

£7,499

excl. VAT

features

- No restrictions on tickers, periods, or number of requests.
- 10 accounts for members of your research institute.
- Up to 200 order book price levels available.
- Pre-open and post-close order flow available.
- 1000 gigabytes (GB) of storage space on LOBSTER's servers for raw unzipped data.
- Additional sub-accounts can be purchased (£100 excl. VAT each).

contract length & renewal

- The subscription has a minimum contract length of one year.
- Cancellation period: 1 month; otherwise automatic renewal for one additional year.
- Price changes may only be made at the end of the contract's period with 6 weeks' notice.

Commercial users.

For commercial users, we only provide one-time access. The charge will be case-based.
